BALANCABILITY

Next week we are starting an exciting new opportunity where our cycling partners who usually lead our Bikeability courses with our older children, will be putting our youngsters through their paces with Balancability. Reception class will be whizzing around on balance and pedal bikes learning those important early cycling skills.

MORECAMBE BAY LIVES

Willow class are beginning a wonderful and exciting new project as part of their topic 'Where we Live' working with the Morecambe Bay Lives Partnership to gather memories about Overton's past. They have invited many people in to share their memories over tea and coffee next Wednesday afternoon. If you know of anyone who would be a great person to help us with this, please let Mrs Harding know. I am excited to see how the project unfolds and will keep you posted.

FRIDAY WORSHIP

This morning, we had a lovely worship focussing on Remembrance ahead of tomorrow's Remembrance Day; It was lovely to be joined by some of our parents. Don't forget, our celebration assemblies are every Friday first thing—if you are able to stay, you are always most welcome. My thanks to our House Captains who helped me with today's service.

DATES FOR YOUR DIARY

Below is an extended list of dates leading up to the end of the term. I realise that we are a way off yet, but I have included all the Christmas dates you need to have in order to be well prepared to join us when you can. Please keep them close, stick them to the fridge or even put them above your bed so you don't miss anything!

ANTIBULLYING WEEK

Next week is anti-bullying week when we will be concentrating on delivering important messages to the children regarding this issue. **On Friday we will all be invited to wear blue to school in order to stand in solidarity against bullying.**
