FINAL THANKS

Well, the school year is at an end and what a year it has been—the strangest yet! I hope you have all received the long letter emailed to you yesterday regarding school organisation in September. We are looking forward to welcoming all our pupils back through the doors. Remember, the first day back is Wednesday 2nd September.

I would like to thank everyone one final time, for the hard work you have put in at home. Now you can enjoy a summer break from home-learning and hand the reins back to us in September. If you wish to keep busy over the summer period, we have put some extra ideas on our website - please feel free to use them if you wish. Have a great Summer!

GOODBYE AND GOODLUCK YEAR 6!

Yesterday evening we had a great time saying goodbye to our Year 6 Leavers. We were joined by almost all our Y6 children and had a great time saying a proper farewell. Here's a great photo of them all. Good luck guys—have a fab time in your new schools and be brilliant!

PARENT VOLUNTEERS

If you have relished home learning and have enjoyed supporting your child's progress over the last few months, then we need you. We are hoping to gather a team of volunteers to hear readers more frequently than usual, in order to support getting our children back on track. If you would be interested in giving just an hour of your time each week, this would make a huge difference. Please let me know in September.

CONNECTING TO NATURE

If you are missing out on a summer holiday this year, why not visit Heysham Nature Reserve. They have many self-led family trails available this summer. If you wish to find out more, go to heyshamevents@lanctswt.org.uk
