POSTPONED SPORTS DAY

I feel quite comforted by the fact that despite living in strange and unfamiliar times at the moment, some things never change. We had to cancel our Sports Day this morning due to the weather! Although there was great disappointment shared all round, we always have a back-up plan. Sports Day will now go ahead next Thursday morning (1st July). As they did today, please could all children come to school dressed in their PE kits ready for a gloriously sunny day of sports. If your child's PE top does not fit them anymore, please can they wear a t-shirt which is the same colour as their house. Thanks.

PARENT PAY

From the start of the new school year in September, we are going cashless with dinner money payments. We will be using Parent Pay as our online payment system. Some of you with older children at high school may already be familiar with this system which is used by many schools in the local area. Over the course of the next couple of weeks, we will be sending out guidance and information for parents regarding setting up accounts and how to use the system, however we hope it will be a step forward, being more efficient and convenient for all to use. For the moment, you do not need to do anything—simply keep a look out for more info coming soon.

RAFFLE TICKETS

Please remember to keep selling the OSFA Summer Raffle tickets. There are plenty of tickets in the school office - if you sell out, please pop in for some more. The raffle will be drawn in the last week of school and posted on Facebook for all to see.

A MESSAGE FROM MRS G

Mrs Glover contacted school this week to say hello and to let us know that the plants she bought with the money that was raised for her retirement are doing very well in her garden. She sent us picture of the rose called 'Memories' just about to burst into flower!

DON'T FORGET YOUR COAT!

Whilst the weather is changeable, please don't forget to send your child to school with a coat. Thank you!

GOOD LUCK EVE!

Good luck to Eve in Y6 who will be completing her mammoth 13.1 mile run this weekend!

STAR OF THE WEEK

Well done to Jaycee, Brooke, Nathan and Scarlett, Matthew, Archie and Georgia who are our Stars of the Week for putting lots of effort into their work, persevering when it is tricky, trying their best and producing some great results. Well done all!

SUMMER TERM DATES

Below are some key dates for your diary.
