OAK CLASS ASSEMBLY

We were treated to a superb assembly at the end of the day today, from Oak Class. They were the first class to present a class assembly for a good couple of years since we stopped doing them due to COVID. However it was great to restart the tradition today. Oak Class gave us a flavour of the things they have been working on so far this half-term—it is no wonder our children (and teachers) are shattered by the end of the week. Thank you Oak Class and very well done.

OSFA FACEBOOK PAGE

OSFA have a new Facebook page! Our new OSFA committee felt like it would be a great idea to have their own Facebook page in order to post information and reminders about upcoming school OSFA events. Please search and like their page so you can keep getting all the important information direct from them. Coming up next week is the school disco and then the cake stall at the end of the week. This is another tradition we are restarting since COVID - at the end of each half-term we have a pop up cake stall as a little treat. Cakes for the stall are to be supplied by OAK CLASS this half-term, but are for all to buy! Thanks!

55TH AUTUMN OVERTON HORTICULTURAL SHOW

On Saturday 29th September, Overton Horticultural Society will be holding their 55th Autumn Show at the memorial Hall. Everyone, old and young, are welcome to enter and there are some great open classes for children. Why not get your youngsters busy over half-term baking, making or drawing and painting. Then take your handiwork down to the memorial hall to be judged—you never know, you might win! Programmes are available at school if you wish to enter.

STORY DEN

On Tuesday and Wednesday, The Story Den came to Overton. Local story teller Emily Hennessey came to cast her amazing storytelling magic, transporting us all into an imaginary world of wonder. It was wonderful and a real treat for us all.

GIRLS FOOTBALL

On Tuesday a team of our girls took part in a football tournament, organised by the School Sports Network. We won some and lost some, however the girls did amazing, coming together as a team and developing their skills. Well done ladies!
