## Progression of Knowledge, Skills & Curriculum Overview 2022-23

Area of Learning	Autumn 1 – All about Me!	Autumn 2 - Colours of the Rainbow	Spring 1 - Superheroes	Spring 2 - Animals	Summer 1 – Growth & Change	Summer 2 - Journeys/ Seaside
Predicted interests/ themes	Me and my family Making friends, how have I changed Rules & Routines Being independent Baseline Assessments Police Class/School Safety	Fireworks, Diwali, Fire Safety Bulb planting Nativity Christmas Songs Christmas Seasons - Autumn	(Healthy) Heroes including Doctors & Nurses Superheroes Chinese New Year Hygiene/Safety	Animals – local/native, African/safari  Mini beasts	Life cycles How we have grown and changed Planting seeds, growing vegetables, Caring for caterpillars	Maps Comparing local area with Africa Local area, half moon bay, basil point, sunderland point, Morecambe Bay  The Seaside – under the sea
Possible texts	Oh No George Oi frog! Astro Girl The colour monster Peace at last We're going on a Bear hunt How to be a Lion Owl Babies	Traditional tales Gingerbread man The magic porridge pot. Three Little Pigs No Dinner Little Red and the very Hungry Lion	Julia Donaldson – Zog Smartest Giant in Town The Highway Rat The Gruffalo Supertato What the Ladybird heard	Yucky worms Ah Spider! Our Very own Dog Odd Dog Out Rumble in the Jungle Hanada's Surprize	Jasper's Beanstalk The very hungry caterpillar Oliver's Vegetables Tad Oliver's garden Visit to garden centre	Sharing a shell Snail and the whale Commotion in the Ocean Blown Away We're going on a lion hunt Emma Janes Aeroplane The Everywhere Bear
Enrichment Activities (celebrations, visits/ visitors)	Harvest	Bonfire Night Remembrance  Diwali – Lighting a lamp(story) Christmas  Theatre trip?	Shrove Tuesday – Make Healthy Pancakes Tasting Chinese Foods World Book Day	Shrove Tuesday – Make Healthy Pancakes Easter Mother's Day	Visit to garden centre	Sports Day - Dogger  Rose Queen
Communication and Language  Communication and Language is developed throughout the year	Listening, Attention and Understanding Children will be able to understand how to listen carefully and know why it is important.  Speaking Children will talk in front of small groups and their teacher offering their own ideas.	Listening, Attention and Understanding Children will begin to understand how and why questions.  Speaking Children will use new vocabulary throughout the day.	Listening, Attention and Understanding Children will learn to ask questions to find out more.  Speaking Children will talk in sentences using conjunctions, e.g. and, because.	Listening, Attention and Understanding Children will retell a story and follow a story without pictures or props.  Speaking Children will engage in non-fiction books and to use new vocabulary in different contexts.	Listening, Attention and Understanding Children will be able to understand a question such as who, what, where, when, why and how.  Speaking Children will use talk to organise, sequence and clarify thinking, ideas, feelings and events.	Listening, Attention and Understanding Children will be able to have conversations with adults and peers with back-and-forth exchanges.  Speaking Children will use talk in sentences using a range of tenses.
through high quality interactions, daily group discussions, circle times, stories, singing, speech and language interventions, Helicopter Stories and Tapestry Time.	Listening, Attention and Understanding: Listen attentively and respond to what they hear with relevant questions, comments and actions when being read to and during whole class discussions and small group interactions. Make comments about what they have heard and ask questions to clarify their understanding. Hold conversation when engaged in back-and-forth exchanges with their teacher and peers.  Speaking: Participate in small group, class and one-to-one discussions, offering their own ideas, using recently introduced vocabulary. Offer explanations for why things might happen, making use of recently introduced vocabulary from stories, non-fiction, rhymes and poems when appropriate. Express their ideas and feelings about their experiences using full sentences, including use of past, present and future tenses and making use of conjunctions, with modelling and support from their teacher.					
Personal, Social and Emotional Development  Children develop their personal, social and emotional skills throughout the year through My Happy Mind sessions, circle times, social stories, ELSA	Self-Regulation Children will be able to follow one step instructions. Children will recognise different emotions. Children will focus during short whole class activities.  Managing Self Children will learn to access, use and tidy resources independently.  Building Relationships Children will seek support from	Self-Regulation Children will talk about how they are feeling and to consider others feelings.  Managing Self Children will understand the need to have rules.  Building Relationships Children will begin to develop friendships.	Self-Regulation Children will be able to focus during longer whole class lessons.  Managing Self Children will begin to show resilience and perseverance in the face of a challenge.  Building Relationships Children will be able to use taught strategies to support in turn taking.	Self-Regulation Children will identify and moderate their own feelings socially and emotionally.  Managing Self Children will develop independence when dressing and undressing.  Building Relationships Children will an listen to the ideas of other children and agree on a solution and compromise.	Self-Regulation Children will be able to control their emotions using a range of techniques.  Managing Self Children will manage their own basic needs independently.  Children will learn to dress themselves independently.  Building Relationships Children will learn to work as a	Self-Regulation Children will be able to follow instructions of three steps or more.  Managing Self Children will show a 'can do' attitude.  Children will understand the importance of healthy food choices.  Building Relationships Children will have the confidence to communicate with adults around the school.

support, diversity stories, Tapestry Time etc.	Self-Regulation: Show an understanding of their own feelings and those of others, and begin to regulate their behaviour accordingly. Set and work towards simple goals, being able to wait for what they want and control their immediate impulses when appropriate. Give focused attention to what the teacher says, responding appropriately even when engaged in activity, and show an ability.  Managing Self: Be confident to try new activities and show independence, resilience and perseverance in the face of challenge. Explain the reasons for rules, know right from wrong and try to behave accordingly. Manage their own basic hygiene and personal needs, including dressing, going to the toilet and understanding the importance of healthy food choices.  Building Relationships: Work and play cooperatively and take turns with others. Form positive attachments to adults and friendships with peers. Show sensitivity to their own and to others' needs.						
Physical Development	Gross Motor Children will learn to move safely in a space.	Gross Motor Children will explore different ways to travel using equipment.	Gross Motor Children will be able to control a ball in different ways.	Gross Motor Children will jump and land safely from a height.	Gross Motor Children will move safely with confidence and imagination, communicating ideas through	Gross Motor Children will be able to play by the rules and develop coordination.	
Children improve their gross and fine motor skills daily by engaging in different Funky	Fine Motor Children will begin to use a tripod grip when using mark making tools.	Fine Motor Children will accurately draw lines, circles and shapes to draw pictures.	Children will balance on a variety of equipment and climb.  Fine Motor Children will handle scissors, pencil and glue effectively.	Fine Motor Children will use cutlery appropriately.	movement.  Fine Motor Children will hold scissors correctly and cut out small shapes.	Fine Motor Children will form letters correctly using a tripod grip.	
Fingers activities (threading, cutting, weaving, playdough), mark making, construction, drawing, writing, Dough Disco, Pen Disco and Squiggle While You Wiggle.	Gross Motor: Negotiate space and obstacles safely, with consideration for themselves and othersDemonstrate strength, balance and coordination when playingMove energetically, such as running, jumping, dancing, hopping, skipping and climbing.  Fine Motor: Hold a pencil effectively in preparation for fluent writing - using the tripod grip in almost all cases; - Use a range of small tools, including scissors, paint brushes and cutlery; - Begin to show accuracy and care when drawing.						
Literacy Possible Book Focus'	Comprehension Children will independently look at a book, hold it the correct way and turn pages.  Word Reading Children will begin to discriminate between sounds, begin to identify initial sounds and blend orally.  Writing Children will give meanings to the marks they make. Children will have their stories scribed.  Zog and the flying doctors? What the ladybird heard? The Little Red Hen	Comprehension Children will engage and enjoy an increasing range of books.  Word Reading Children will begin to recognise grapheme/ phoneme correspondence and begin segment and blend sounds together to read simple words.  Writing Children will begin toform letters correctly.  Elmer The Rainbow Fish	Comprehension Children will act out stories using recently introduced vocabulary.  Word Reading Children will recognise taught digraphs in words and blend the sounds together.  Writing Children will write words representing the sounds with a letter/letters.  Lost and Found Whatever Next How to catch a star	Comprehension Children will be able to talk about the characters in the books they are reading.  Word Reading Children will read words and simple sentences, containing diagraphs and tricky words/ HFW  Writing Children will write labels/[phrases representing the sounds with a letter/letters.  The Tiny Seed Olivers Vegetables The Very Hungry Caterpillar	Comprehension Children will retell a story using vocabulary influenced by their book.  Word Reading Children will read longer sentences containing phase 4 words and tricky words.  Writing Children will write words which are spelt phonetically.  The Tiger Who Came to Tea Giraffes Can't Dance Dear Zoo	Comprehension Children will be able to answer questions about what they have read.  Word Reading Children will read with more fluency, books matched to their phonics ability.  Writing Children will write simple phrases and sentences using recognisable letters and sounds.  The Rainbow Fish Barry the Fish with Fingers Commotion in the ocean	
	Supertato CLPE - Oh No George!	Nursery Rhymes Traditional Tales Room on the Broom Stick man CLPE - No Dinner	Aliens Love Underpants  CLPE - What the ladybird heard	The Very Hungry Caterpillar A fruit is a suitcase for seeds The Bad Tempered Ladybird CLPE - Handa's surprise	CLPE - Tad	Sharing a shell Tiddler CLPE - Surprising Sharks?	
	Comprehension: Demonstrate understanding of what has been read to them by retelling stories and narratives using their own words and recently introduced vocabulary. Anticipate (where appropriate) key events in stories. Use and understand recently introduced vocabulary during discussions about stories, non-fiction, rhymes and poems and during role play.  Word Reading: Say a sound for each letter in the alphabet and at least 10 digraphs. Read words consistent with their phonic knowledge by sound-blending. Read aloud simple sentences and books that are consistent with their phonic knowledge, including some common exception words.  Writing: Write recognisable letters, most of which are correctly formed. Spell words by identifying sounds in them and representing the sounds with a letter or letters. Write simple phrases and sentences that can be read by others.						

	_						
Mathematics	Number Children will have a deep understanding of 1-3.  Numerical Patterns Children will verbally say which group has more or less.	Number Children will have a deep understanding of numbers 1-5.  Numerical Patterns Children will compare equal and unequal groups.	Number Children will have a deep understanding of numbers 1-8.  Numerical Patterns Children will understand and explore the difference between odd and even numbers.	Number Children will have a deep understanding of numbers 1-10.  Numerical Patterns Children will add and subtract using number sentences.	Number Children will revise number bonds to 5.  Numerical Patterns Children will share quantities equally.	Number Children will know number bonds to 10, including doubling facts.  Numerical Patterns Children will be able to count beyond 20 and higher.	
		g of number to 10, including the composition of each number. Subitise (recognise quantities without counting) up to 5. Automatically recall (without reference to rhymes, counting or other aids) number bonds up to 5 (including subtraction facts) and some number bonds to 10, including double facts.  beyond 20, recognising the pattern of the counting system. Compare quantities up to 10 in different contexts, recognising when one quantity is greater than, less than or the same as the other quantity. Explore and represent patterns within numbers up to 10, including evens and odds, double facts and how quantities can be distributed equally.					
Understanding the World	History History: Past and Present How Have I changed since I was a baby They talk about members of their immediate family and community. They can comment on images of familiar situations in the past. They can compare and contrast characters from stories, including figures from the past.		History: Past and Present Why do we wear different clothes at different times of the year? They talk about the lives of the people around them and their roles in society. They know some similarities and differences between things in the past and now, drawing on their experiences and what has been read in class. They understand the past through settings, characters and events encountered in books read in class and storytelling.		History: Past and Present What are our favourite celebrations each year? They talk about the lives of the people around them and their roles in society. They know some similarities and differences between things in the past and now, drawing on their experiences and what has been read in class They understand the past through settings, characters and events encountered in books read in class and storytelling.		

Geography: People, Culture and Geography: People, Culture and Geography: People, Culture and Communities Geography: People, Culture and Communities Children will know about features of the immediate environment. Children will explore their local environment, learning about features and new Children will know about people who Children will know that there are Children will compare how their lives are different to those in other vocabulary. help us within the community. many countries around the world. countries. Children will know that people around the world have different religions. Science: The Natural World Science: The Natural World Science: The Natural World Science: The Natural World Children will understand the terms Children will explore and ask Children will talk about features of the environment they are in and learn Children will make observations about plants discussing similarities and 'same' and 'different'. questions about the natural world about the different environments. differences. around them. Children will make observations about animals discussing similarities and Children will know some important processes and changes in the natural differences. world, including states of matter. Diwali Stories Jesus Heard Easter Special Places Christmas Stories Jesus told Harvest. \*See Blackburn Diocese syllabus \*See Blackburn Diocese syllabus

Past and Present: Talk about the lives of the people around them and their roles in society. Know some similarities and differences between things in the past and now, drawing on their experiences and what has been read in class.

Understand the past through settings, characters and events encountered in books read in class and storytelling.

People, Culture and Communities: Describe their immediate environment using knowledge from observation, discussion, stories, non-fiction texts and maps. Know some similarities and differences between different religious and cultural communities in this country, drawing on their experiences and what has been read in class. Explain some similarities and differences between life in this country and life in other countries, drawing on knowledge from stories, non-fiction texts and (when appropriate) maps.

The Natural World: Explore the natural world around them, making observations and drawing pictures of animals and plants. Know some similarities and differences between the natural world around them and contrasting environments, drawing on their experiences and what has been read in class. Understand some important processes and changes in the natural world around them, including the seasons and changing states of matter.

Expressive	Arts	and	Desig

Music: Being Imaginative
Children will sing and perform
nursery rhymes.

See Charanga Progression of Skills document.

Art & Design: Creating with

Materials

Children will experiment mixing with colours.

Music: Being Imaginative
Children will experiment with
different instruments and their

sounds.

See Charanga Progression of Skills

Art & Design: Creating with

Children will experiment with different textures.

Music: Being Imaginative
Children will create narratives
based around stories.

See Charanga Progression of Skills document.

Art & Design: Creating with Materials

Children will safely explore different techniques for joining materials.

Music: Being Imaginative

Children will move in time to the

See Charanga Progression of Skills document.

Art & Design: Creating with Materials

Children will make props and costumes for different role play scenarios.

Music: Being Imaginative

Children will play an instrument following a musical pattern.

See Charanga Progression of Skills document.

Art & Design: Creating with

Children will explore and use a variety of artistic effects to express their ideas and feelings.

Materials

Music: Being Imaginative Children will invent their own narratives, stories and poems.

See Charanga Progression of Skills document.

Art & Design: Creating with

Materials

Children will share creations, talk about process and evaluate their work.

Creating with Materials: Safely use and explore a variety of materials, tools and techniques, experimenting with colour, design, texture, form and function. Share their creations, explaining the process they have used. Make use of props and materials when role playing characters in narratives and stories.

Being Imaginative: Invent, adapt and recount narratives and stories with peers and their teacher. Sing a range of well-known nursery rhymes and songs. Perform songs, rhymes, poems and stories with others, and (when appropriate) try to move in time with music.
