CORONATION CELEBRATION DAY!

Our school day was slightly special today as we get ready for the spectacle that will be King Charles's Coronation tomorrow at 11am. Activities in class were all about the special event, we had a picnic style celebration lunch and this afternoon we managed to get out and take a special photo of the whole school to mark the occasion. This morning in worship we looked at pictures of things to look out for tomorrow, from the special carriages, to the crown and of course, the King and Queen themselves. Let's hope it is a wonderful day for all involved.

YEAR 6 SATS

Next week, our Year 6s will be completing their SATs tests. It's true that SATs week is not the most enjoyable week of the school year, however I know our Year 6s will work really hard and give their best, which is good enough for us. Our Year 6s need to come into school a little earlier than usual for breakfast before the morning tests begin. Remember to get a good, restful weekend with plenty of sleep and an early night on Monday.

DRONE PHOTO

This afternoon, despite the lunchtime deluge, we managed to all get out on to the field for a whole school photo. Thanks to Chris Rigby for coming to take the photo free of charge, which will now form part of Overton St Helen's history.
