SPORTS DAY!

On Tuesday next week, we are holding our annual morning of Sports where parents are welcome to come along and cheer us all on. For the whole morning, from about 9.15am, the whole school will be out on the field, running races and taking part in throwing and jumping events to accumulate points for themselves and their teams. At the end of the morning we will announce the winning boy and girl from EYFS/KS1 and KS2 and the overall winning House. OSFA will be serving refreshments from 8.30am on the school field.

There will be plenty of opportunity to watch and cheer on your child, but we would ask parents to keep on the outside of the field track so that the activities can take place without obstruction on the inside of the track. Parents are welcome to move around the field as your child's class moves around the various activities. The whole morning will come to a close at around 11.30am.

KS2 SATS, DONE!

A huge well done to all our Year 6 pupils this week who have worked incredibly hard, through their SATs tests. You will see from the news headlines, that the tests have been particularly challenging this year, but I am extremely proud of the courage and perseverance our pupils have shown in rising to that challenge - well done!

STAR OF THE WEEK

Star of the Week this week goes to Mason in Maple Class, Rory in Holly, Martha in Elm, Elise-Marie in Willow, and Bobby A in Beech for consistent hard work and enthusiasm in their learning. Star of the Week for Oak Class goes to the Y5s, for the support they have shown their Year 6 class mates all week. Well done!
